

Ames Child Care Center

The Ames Child Care Center (ACCC) is a non-profit childcare center accredited by the prestigious National Association for the Education of Young Children (NAEYC), and is located at the NASA Ames Research Center. Quality childcare is available to all children of civil servants, on-site contractor personnel, and military families based at Moffett Field. The tuition paid by the parents covers salaries and operational costs only. All other costs are covered by fundraising activities, such as the ACCC Charity Golf Tournaments.

The proceeds from this tournament will be used to support activities such as tuition assistance, the music program, educational equipment purchases, and to help outfit our new, permanent facility which we hope to occupy in one years' time.

For more information on the ACCC, visit <http://acc.c.arc.nasa.gov> or contact Lisa McNee (ACCC Director) at 650-564-9285 or lmcnee@mail.arc.nasa.gov
